

Nobi Ceiling

Datasheet

Product specifications

1/2

Design

Color options

Slate: PANTONE 18-0201 TPG

Desert: PANTONE 13-4403 TPG

Intended for

Living room, bedroom

Covering up to

78,5 sq. m. - diameter 10 m

Dimensions & weight

Height

199 mm

Diameter

390 mm

Weight

2.5 kg

Power unit on ceiling

Height

65 mm

Diameter

174 mm

Total height (mounted)

206 mm

Power

Operating voltage

100/240 universal input

Hertz

50/60

AI + IR + no lights

18 Watt

AI + IR + full lights

60 Watt

Maximum load (Nobi power)

80 Watt

Audio

Audio amplifier

High efficiency 17W+17W Class D speaker Amp with built-in DSP

Speaker

Full range 40W speaker

Microphone

4 high-performance, low power omnidirectional digital microphones
Noise canceling and beamforming software processing

V1.0

Connectivity

Bluetooth

Bluetooth 5.0

Wifi supported

802.11 a/b/g/n/ac

Light

LED

Warm and cold for general lighting

RGB for status lighting

Infrared for night vision

Warm white (2750K) - Cold white (6600K)

Lumen

984,4 lm

Technical specifications

Memory

4GB 128-bit LPDDR4 Memory

AI performance

1.33 TFLOPs

Processor

256-core NVIDIA

Sensor

12.3MP 4K 160° IR sensor covering complete room

Other

iOS and Andoid compatible

HS 9405 11 10

Recycling
